Small Business Resource:
Apply to 12-week Development Program

Business Owners: APPLY BY DECEMBER 16th at
ncriot.org/rap
to join the RAP Wilson Cohort (Spring 2020)

Join the RIoT Accelerator Program
to learn, collaborate, and bring new products to market.
The program gives small business owners access high quality business and
technical resources and a hands-on mentorship network.

- 12-week program (Feb 24 - May 15) @ the Gig East Exchange
- Open to all types of businesses or new startup ideas
- No cost to businesses
- Work alongside a cohort of fellow business owners & startup founders
- Access to 100+ Mentors & Corporate Partners
- Access to shared office space and prototyping equipment
- Scholarships for select high-potential business owners available

"The best aspect of RAP was the breadth and quality of RIoT's network and mentors. Whether they worked for tech giants or outstanding local firms, every mentor I met was engaged, curious by nature, never transactional, and genuinely helpful." - Ember Melcher, CPO NIRSleep
